

Sporting Clays League

50 targets / Normal 50 target fee / 12 Stations / Course will be reset every week

The league fee is \$20 and Boxhorn club membership is *not* required for new Shooters. However, all league shooters who are also Boxhorn club members will receive a 10% discount on non-league sporting clays rounds. This discount starts the day you pay your league fee and continues until August 31st. The league starts the first Tuesday in May and continues until the last day in August. There are seventeen weeks during this time frame and you will need to record 16 official scores. You can shoot your league rounds any time the sporting clays course is open.

This is an individual league. After the first four scores we will divide the shooters into four classes. Every month (4 scores) we will award prizes and re-classify. To qualify for the monthly prize you will need to have your scores in by the last day of the month. You can shoot up to four weeks ahead. If you get behind you will need to catch up by the end of each month to qualify for the monthly awards and to qualify for the league tournament.

Tuesday September 9th will be the **FREE** league tournament and awards dinner. We will collect a \$10 entry fee but **ALL** of this fee will be returned as prize money. We will shoot in classes with handicap targets to make this a fair and fun event for everyone. You will need to have recorded all 16 league scores to be eligible for this event.

Tuesday night is sporting clays league night at Boxhorns. You can actually shoot your official round any day the course is open but on Tuesdays we will schedule extra trappers and hopefully it will be easy to find people to shoot with. The other benefits to shooting Tuesdays:

- One free drink token to each shooter
- \$5 Tuesday option available
 - \$3 to a special lewis (1st lewis doesn't always go to top score!)
 - \$2 to low & high station purse (we'll draw after everyone shoots)
- Depending on interest we can add other events to the Tuesday night fun...poker, trap doubles, long bird contests, etc. If you have ideas please talk to Rick or Len.

Sign up a friend for this league who is not a club member and earn a free 100 target round of clays.
